# WELCOME

Dear Competitors, Parents and Friends,

On Behalf of the Purdue Latin and Ballroom Dance Team, we would like to welcome you to the 25<sup>th</sup> Annual Purdue Ballroom Classic. We are glad you are here as we look forward to a day filled with fun, laughter, friendship and wonderful dancing.

Ballroom dancing was first introduced to Purdue University as a class for credit, PES113 (1989-1992) by a Dance Department faculty member, Carol Cunningham. In 1992, when funding was cut for its curriculum, Kirsten Thole, the former teaching assistant of PES113, started The Purdue Ballroom Dance Club as a recreational ballroom dancing community. The club consisted of 40 members. Through the years this club grew to over 200 members.

In 1996, through the inspiring efforts of Aaron Altschul and Yuehwern Yih (our current faculty advisor), The Purdue Ballroom Dance Competition Team was founded. There were 15 couples on the team that first semester. Our first coach was Mr. Wayne Applegate. Today, our team consists of 140 members and has been renamed The Purdue Latin and Ballroom Dance Team. The name change came with the realization that "ballroom" was not always interpreted to include the Latin dances.

This team is consistently nationally ranked amongst the top collegiate teams for more than a decade. We are also proud to have alumni who hold National titles, those who are national finalists, and those who have become professional dancers and instructors, as well as those who have become certified national judges. Today, Yuehwern and Daniel, alums of the team, are the head coaches of this team. Our beginner and intermediate team members strive on a daily basis to achieve excellence in their dancing. They are the future of this team, and we can honestly say, we are looking at a great future.

However, we would not be here today if not for all the friends we have made through the last 25 years of inter-collegiate dancing. We thank all our friends from universities and colleges throughout the Midwest for all these years of support and friendship. Dancing would not be the same without you and we are happy you are here with us today.

Welcome to all our parents, family, friends and spectators. Your support with loud cheering, calling out names of your favorite couples and colleges provides the energy and encouragement to all our dancers as they compete for their titles. Your presence and your financial support of our dancing, makes this day a possibility.

Dear adjudicators and staff, you have traveled far to be here. Your excellence in the field inspires us and your presence endorses the importance of our team and this event in the larger ballroom dancing community in the United States. We thank you for being here.

Last but not least, we thank all our coaches for their dedication to our team. We know that your time is valuable and hence, your continued support of our team means more to us than you may ever know.

With that said, good luck to all our competitors and "Let the dancing begin!"
